

## Terms & Conditions

- I agree to comply at all times with I-MED Online's policies related to the security and privacy of its electronic records.
- I will keep my username and password confidential.
- I will act responsibly to maintain the security and integrity of the information systems that I use, so as to minimise the chance of any problems or security breaches for Regional Imaging.
- I will only look at a patient's medical imaging records for the purposes of providing diagnostic or treatment services to that patient and not for any other reason.
- I will not browse through a patient's records or access records that I am not required to see for the purposes of providing diagnostic or treatment services to the relevant patient.
- I will ensure that unauthorised people cannot gain access to I-MED Online and any confidential information.
- If I need to copy or print images or other information from I-MED Online, I will treat them as confidential medical records.
- I agree to comply with any audit by Regional Imaging or our agents of my access to I-MED Online.
- I understand my responsibility for respecting patients' privacy and protecting the confidentiality of information to which I have access, and will comply with all relevant privacy laws and codes including, but not limited to, the Commonwealth Privacy Act 1988 (as amended or replaced from time to time).
- I agree to Regional Imaging revoking my access to this I-MED Online in the event of any breach of the terms and conditions of this Agreement.
- I agree that you I am responsible for all costs associated with my use of I-MED Online, including without limitation, all telecommunication costs, data usage and systems to view information provided by the I-MED Online.
- I indemnify Regional Imaging in relation to all losses, damages, actions, claims, costs or expenses which may be brought against, suffered or incurred by Regional Imaging as a direct or indirect result of my failing to comply with any of the terms set out above.

**Regional Imaging**

Comprehensive care. Uncompromising quality.
